MEMORANDUM FOR: Acting Chief, Industrial and
Certification Branch

ATTENTION : Chief, Certification Section

SUBJECT : Special Clearance for House
Select Committee Staffers

1. Reference is made to the Deputy Director of Security's memorandum dated 22 August 1975, same subject as above. This memorandum reflects in effect the request of [] of the Review Staff that at any time a staff member of the House Select Committee is indoctrinated for a codeword clearance that the three individuals, i.e., Messrs. Donner, Field, and Boos, must also be briefed on these codeword accesses. At the present time, according to [] advice, this requirement is met inasmuch as SI/TK and [] is the standard clearance level for the Select Committee membership. STATINTL

2. You are requested to take the responsibility to assure that a system is set up and action taken should any future codeword approval be issued to a member of the House Select Committee, to assure that the three individuals mentioned are also automatically briefed on that additional codeword access, and that appropriate recording is made of that fact for the record. STATINTL

3. Please coordinate this requirement with the Chief, Special Security Center or his representative and assure that SSC has advised [] of the Review Staff per paragraph 2 that the three individuals currently have the same clearances issued to other staff members. STATINTL
